

Exhibit 91

Redacted Public Version

Hi Tina,

A \$30 discount doesn't eliminate the fact that I did not receive the top-quality pair of shoes that that StockX advertises, and I paid for. That doesn't remove the flaw. How long would the return/review process take because I'll need to source a new pair of shoes for my event by Friday. Thanks,

Justin

Hey Justin,

I'm sorry for this inconvenience as I am only allowed to compensate that much if you decide to keep the shoe. The highest I can go is a \$30 USD partial refund or a \$30 USD discount code. The return will still be subjected to a review since every return is looked at for your concerns.

Please let me know what option you would like to continue with.

Best,

Tina
